

LAKE POYGAN SPORTSMEN'S CLUB

PRESERVING OUR RESOURCES
MAY, 2019 VOL. 27, NO. 5

PROJECT UPDATES

Banquet: We raised over \$13,000 for lake and river habitat at our annual banquet on April 15th. Great fun, food, and comradery with like-minded folks. Thanks to all the donors, sponsors, volunteers, and attendees.

A huge success!! Thanks also to the Fin 'N' Feather for having us.

Poygan Breakwall:

Design and Army Corps permitting is complete and waiting only on the DNR permit. We should be on track for bidding and installation yet this summer / fall. Only minor settling was noted with the 1st phase, but we intend to have the top of future walls to be more roughed to deter birds. The Club's share of this \$1,000,000 phase is \$150,000.

Fish Reefs: Two new reefs were installed this past winter and future ones will likely be in other areas of the lake – we have 5 now in that same general area. We have a total of 9 locations spotted and others are to come.

Fish Sticks: We intend to identify new locations for anchored woody structure in the river between Orihula and the mouth of the Rat River. We'll keep you posted.
