THE "BIG ONE"

PLEASE NOTE THAT THE BIG ONE DRAWING IS CANCELLED FOR 2020 BECAUSE OF COVID 19 CONCERNS.

PROJECT UPDATE

Wow. Just wow. I'm glad we got the Fisheree in because since then it has been no banquet, no meetings, no Big One drawing – in short, no fundraising. We are rolling with the day-to-day directives during this pandemic to determine how best to move forward. Thanks for your patience and understanding. We'll come up with a plan.

Poygan Breakwall: the initial batch of blasted rock didn't conform to the engineer's specifications, so there is a bit of a delay, but we are expecting rock in the water any day now.
Fish Reefs: we are working with DNR and their grant program to secure a grant early in 2020.
Fish Sticks: here too we think that there are funds available through grants to update the previous sites. There is a far easier permit process now also.
Plow Truck: The plow truck got pretty beat up last year and is in for extensive servicing.
