

LAKE POYGAN SPORTSMEN'S CLUB

PRESERVING OUR RESOURCES
AUGUST, 2020 VOL. 28, NO. 8

THE "BIG ONE"- NOT THE RAFFLE DRAWING

We're finally seeing progress on the other BIG ONE – the Poygan Breakwall. Radtke Contractors, Inc. from Winneconne was the successful bidder by a slim margin and after some landing updates at Noffke's and some better rock selection, we are off and running. The contract completion date is November 30, 2020 and after a slow start, the project will likely run toward that date.

As you know, with the guidance of the Winnebago Comprehensive Management Plan, we have been after this, the jewel of all the projects outlined in that document, for going on 20 years now. Your Club donated \$75,000 toward Phase 1 – the first segment placed in 2017 (\$379,000 total project budget), and we have committed \$200,000 toward this two- segment phase with a total budget of over \$1.5 million.

There will be a three year observation period after these 2 structures are placed with the project picking back up in 2024. Thanks to our partners: Ducks Unlimited, Winnebago County Land and Water Conservation Department, U. S. Army Corps of Engineers, and DNR.

Another big one indeed!

THE OTHER BIG ONE – OUR LOYAL MEMBERSHIP

While our fundraising efforts have been stymied by the COVID-19 pandemic, our membership shows itself in other ways. Thanks to a yet to be named donor for a most generous contribution to the Club in the amount of \$50,000!!

Now that's a Big One!

Your selflessness and generosity are truly appreciated by all of the membership! We continue to seek ways to generate some income and other donations are sure appreciated!!
