## CALENDAR SALES FALL SHORT

Thanks to all involved who stepped up and allowed us to sell 860 calendars for 2015. We fell short of the 1,000 that we sold the last two years. Thanks especially to Rose, Joel, John and Julie, Chico, and the Viking Supper Club for organizing, distributing, and collecting the tickets. Top sellers were Chico (53), John and Julie (43), Denise Klassa (36), and Tom Wilson (33).

## DUCK HOUSE CONSTRUCTION

The Club once again constructed wood duck houses at Vic Springstroh's shop. We contract built 15 of them for a member and distributed the other 50 to various people and groups that will place and maintain them.

## PROJECT UPDATES

**West Bay Cane Beds:** We will continue to work in 2015 with Andrew Sabaia and Club volunteers to rid the West Bay Cane Bed of invasives and get new growth through plantings.

**Poygan Breakwall:** We have a permit pending with DNR to at least begin this long sought after project. Funding is in place for at least the primary structure that will show that this is a viable strategy.

**Fish Sticks:** We continue to fund placement of anchored woody habitat at many spots between Orihula and Lake Poygan. More site have been located and added to our extended permit.

**In-lake Fish Reefs - Our Second One:** We have committed the funds and will proceed with open water placement once we get to open water season. This reef will be located in the area of the first reef - just about straight north of the Winnebago County Landing of County Road B.
