PRESERVING OUR RESOURCES
NOVEMBER, 2015 VOL. 23, NO. 11

POYGAN BREAKWALL UNDER CONTRACT

We have a winning bid through Radtke Contractors, Inc. and DNR and Army Corps permits for the initial 1,170 feet of the Poygan Breakwall. The state has also appropriated \$378,000 for this initial structure. The Club is contributing \$70,000 and \$20,000 is coming from Winnebago County. The bid came in \$18,000 above our budgeted amount and Tom Pawlacyk (N&M Transfer) made a most generous offer to make up the difference. Thanks Tom! Rock placement will be performed when the lake is at summer fill level (early June, 2016).

MEETING SPEAKERS FOR NOVEMBER AND DECEMBER

For our November meeting Tom Bett will be giving a Power Point discussion of water level management on the Winnebago system. He has a lot of really well summarized data on how the water levels have been managed under the Linde Plan. For December, Kaci Baillies from the WI DNR will have a presentation on Aquatic Invasive Species in the Winnebago System. She'll help us to identify them and report their presence to the DNR.

RAFFLE CALENDARS ARE OUT

Get yours while they last! The Viking has a good supply of them, or call Matt Harp at 920-858-3347. Same as last year, \$20 gets you in the hopper and after you win, your name goes back in. We only sell 1,000 and they make great gifts too. Turn in sold calendars to Matt, Joel, Rose, or stop for a drink at the Viking and turn them in there. Sales end promptly on December 31st so be sure to get them in.

Thanks also to our sponsors of the calendar. Please be sure to patronize their establishments and thank them when you see them.
